- **Saturday Feb. 28; 10AM - 4PM**
- **Lunch Served on Sat. Feb. 28**
- **Fly-ins Welcome**

Refreshments served daily

We hope you join us Feb. 27th and 28th for a 2009 premier appearance of Cessna's New Mobile Marketing Vehicle (MMV) at Air Care's facilities in Rocky Mount, NC. This traveling technical marvel showcases our aircraft line-up, Cessna pilot training, and features other educational kiosks which highlight the full Cessna support experience.

Don't miss the exciting Cessna Line-up - from the C172S, multi-purpose C182T or 206H, as well as the new low-wing "Speed Demons" – *the stylish Corvalis 350 /400 Aircraft*. The complete line-up features the industry-leading Garmin G1000 with the Garmin GFC-700 autopilot.

This Open House is the perfect exhibit to showcase a functional cockpit of the **Cessna 350/400 renamed 350 Corvalis and 400 Corvalis TT**, with the G1000 and Cessna-exclusive ReadyPad™, and provide other visual specifications on these advanced technology aircraft.

NEW Cessna 400 featuring G1000 w/ ReadyPad

Walking Displays in Cessna's Mobile Showcase

Come and tour our new MMV Showcase - - Learn about the extensive 9-model single engine line-up. There is much to see, touch, and appreciate.

DEMOS ARE AVAILABLE BY APPOINTMENT

We hope to see you there and...Be sure to bring a friend!

Regards,

Ernie Capone
Sales Director
